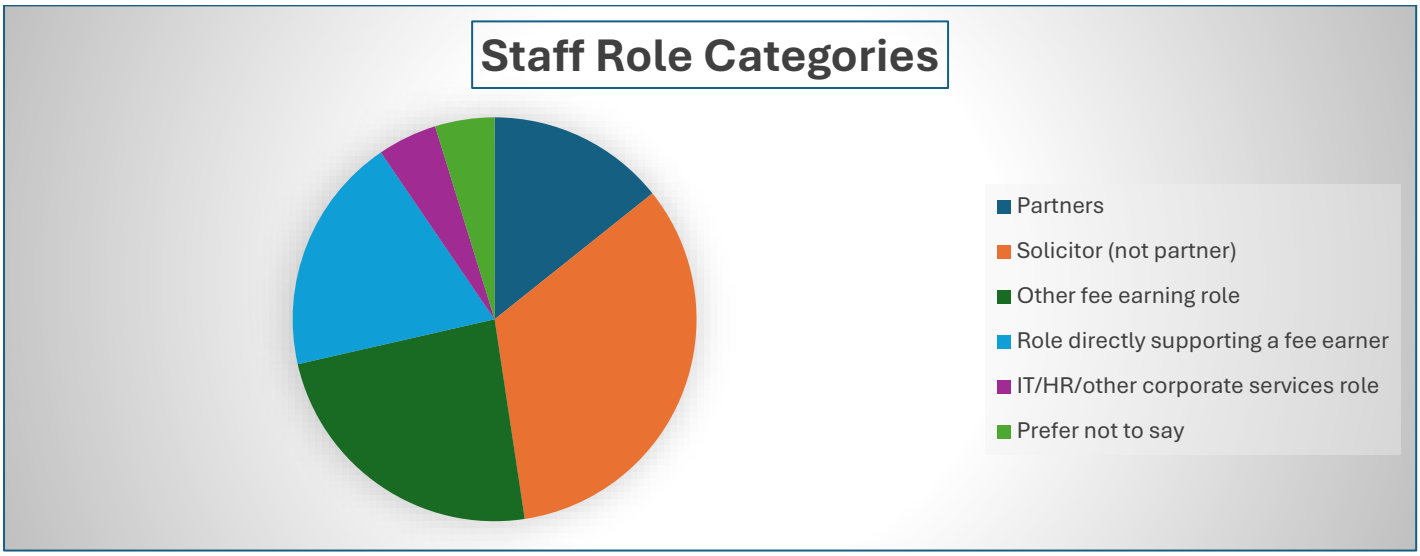
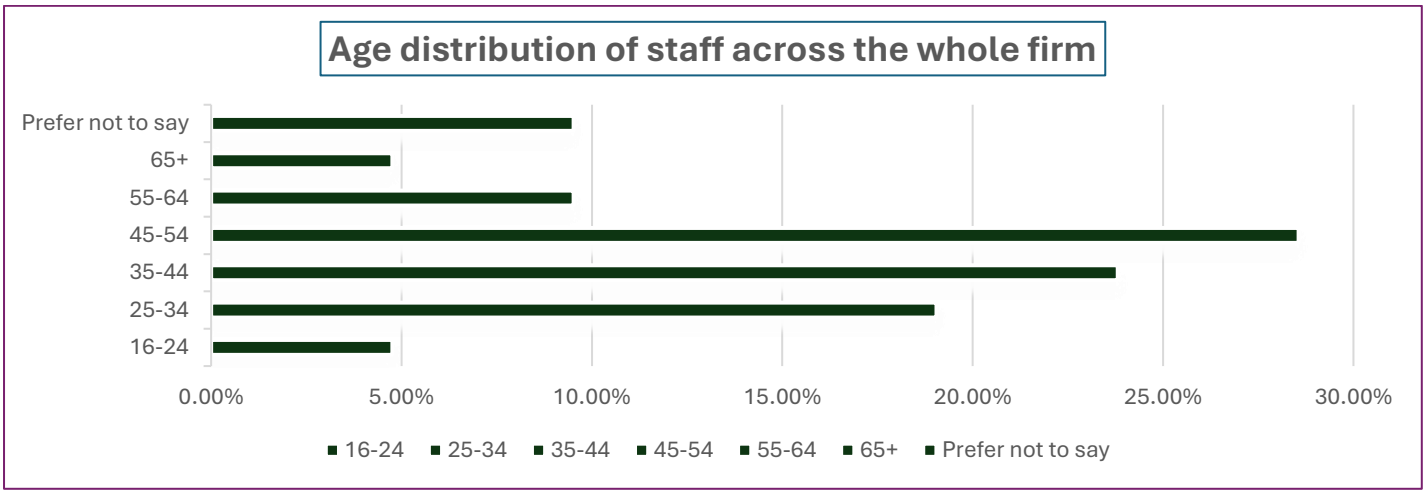
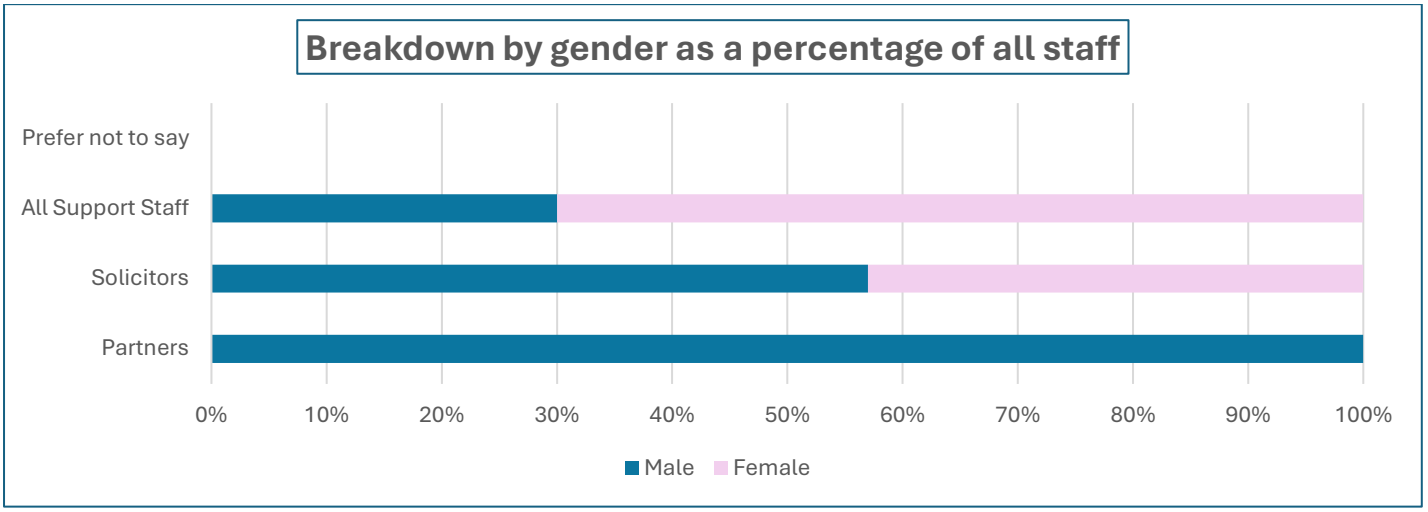
WHITEFIELDS SOLICITORS

Diversity Data 2025 – Summary Statement

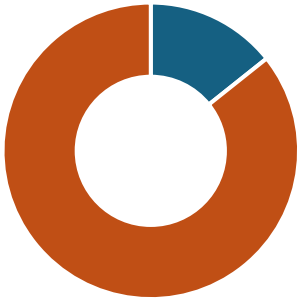
In line with our SRA obligations, Whitefield's Solicitors has published anonymised workforce diversity data for 2025. This reflects our commitment to transparency and to fostering a fair, inclusive workplace. The data provides a clear overview of our team's composition, with representation across gender, ethnicity, disability, and socio-economic background.



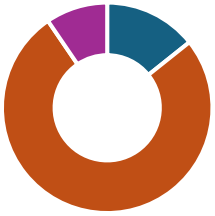




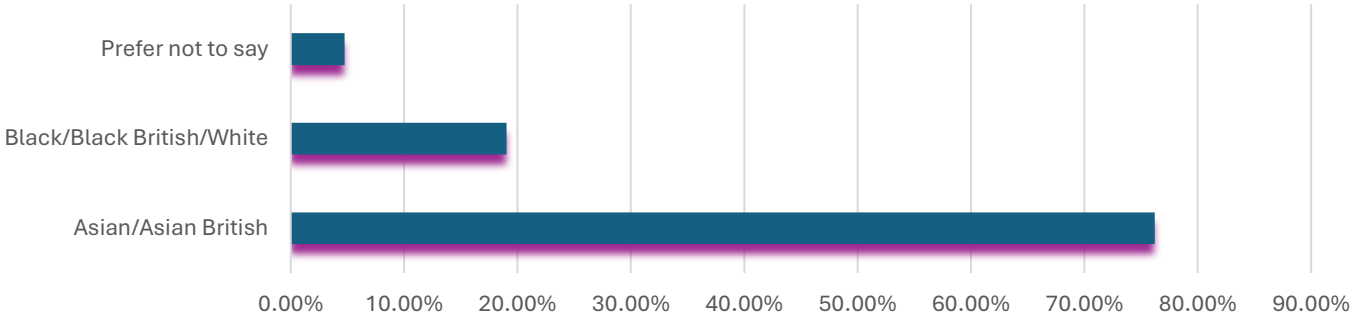
Breakdown of staff with disability



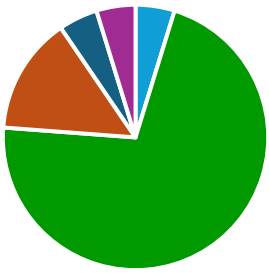
Day-to-day activities limited by disability/condition



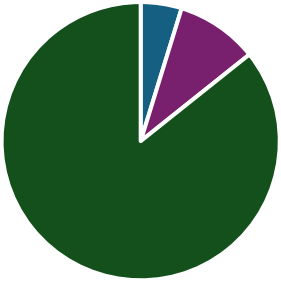
Breakdown by main ethnic group as a percentage of all staff



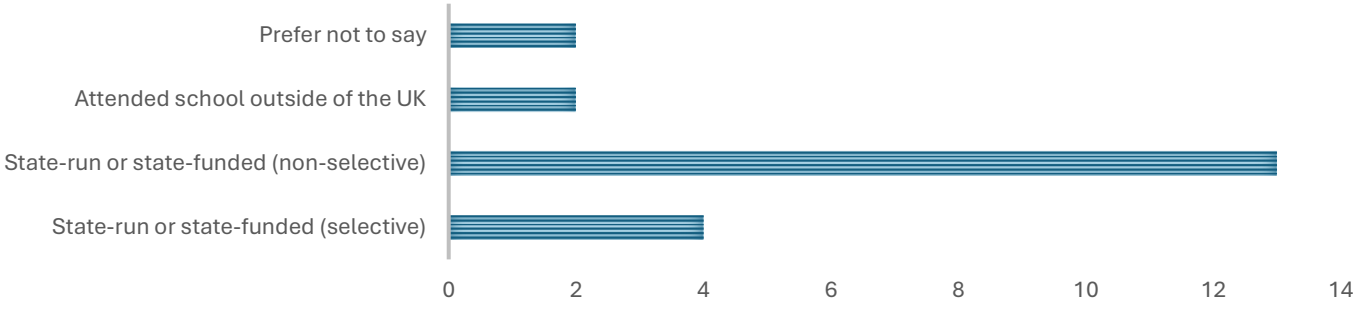
Breakdown of staff by religion



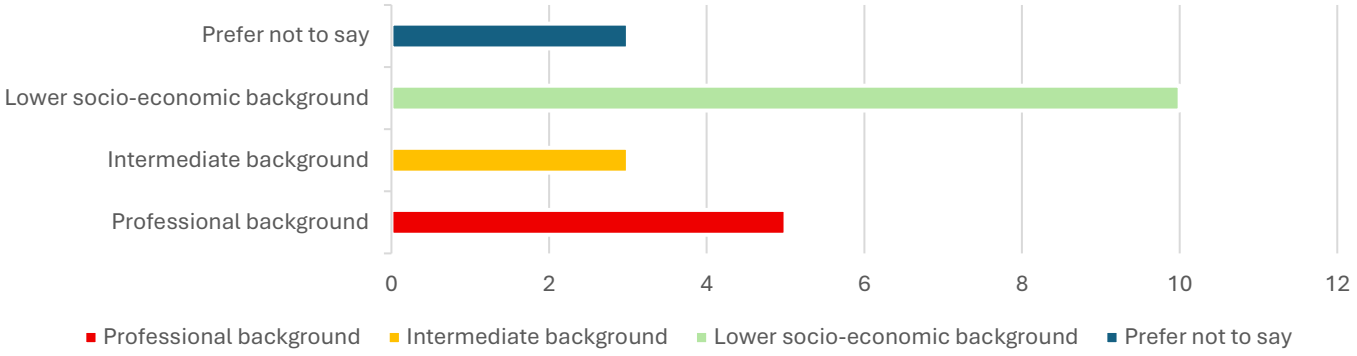
Breakdown of staff by sexual orientation



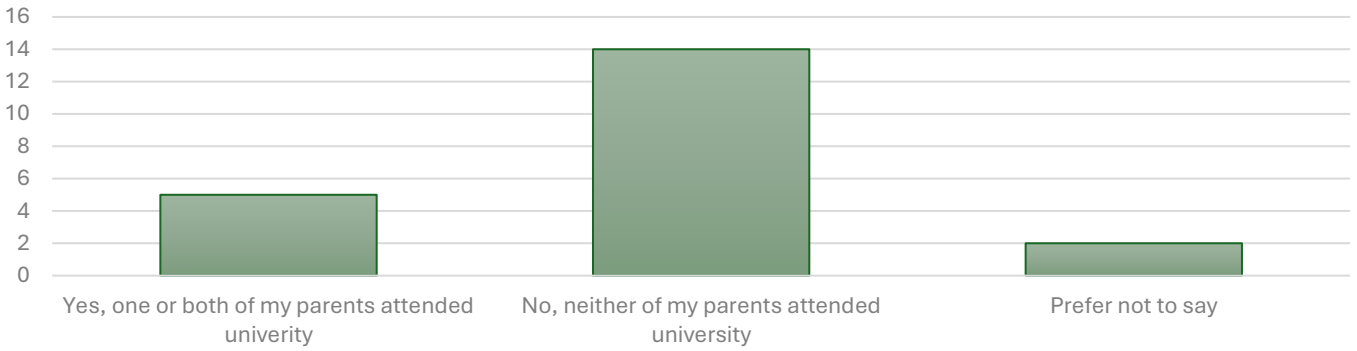
School type attended by staff between the ages of 11 and 16



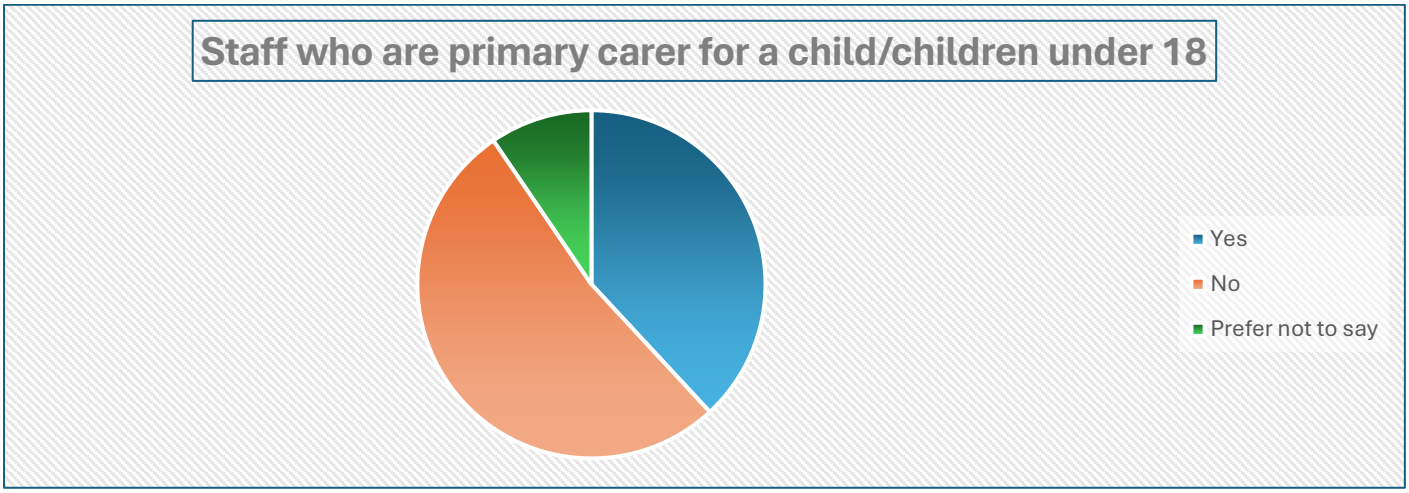
Parental occupation of staff at the age of 14

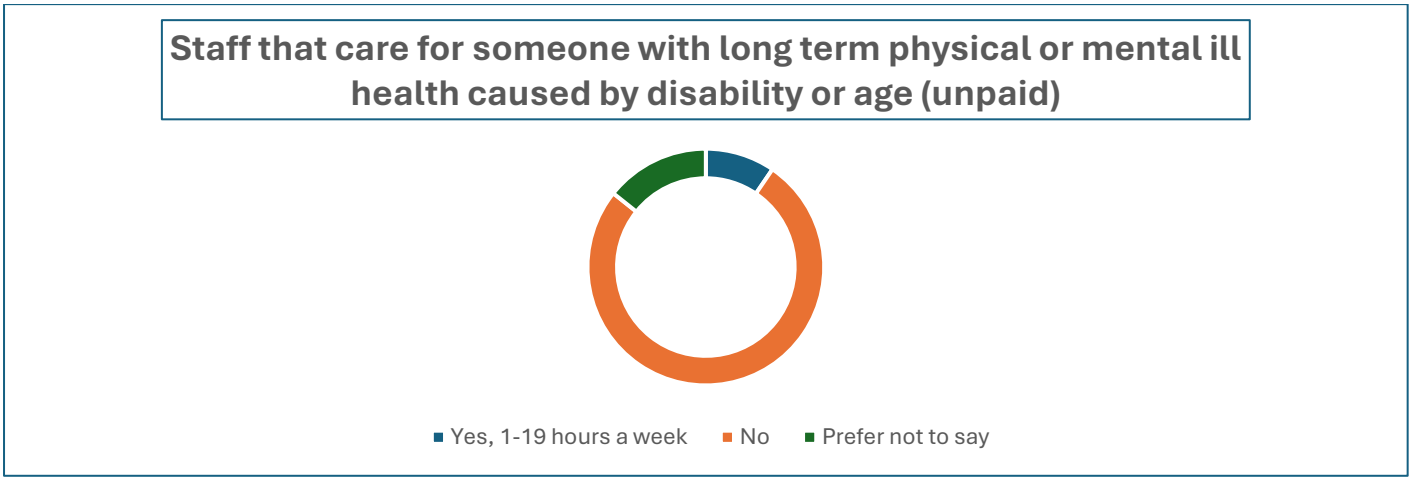


Did either parent attend university and gain a degree by the time they reached 18



Staff who are primary carer for a child/children under 18





Staff that care for someone with long term physical or mental ill health caused by disability or age (unpaid)
